

**ARE YOU A K-8 MATH
TEACHER IN
MISSISSIPPI?**

YES! Are your math materials on
the MDE-adopted HQIM list?

YES

**KEEP ON
KEEPING ON!**

Now, join our private Facebook Group and share your experience using high-quality instructional materials. You can use the templates below to inspire your posts.

NO

We worked with EdReports to create a page where you can search other math titles and see how they rate. Use our EdReports page to see how your materials rate.

**ARE YOUR
MATERIALS HIGH-
QUALITY?**

YES

NO

Now what? Talk to your school leadership to figure out how you can ensure they purchase materials that ARE high quality. Show them the MDE-adopted list!

BE AWARE: EdReports has reviewed many materials, but there are still some math curricula that they have NOT reviewed yet.

If you find out this is the case for you, you can use the MDE-adopted rubrics to evaluate your materials.

MDE-Adopted HQIM Math List
